144	Get the children out of this building.....
145	The community was told the Schlador st campus was beyond repair in the 90's???
150	It is time to take care of the children by moving them out of Eugene Field. The school district should not spend the money needed to restore Eugene Field. Leave that to someone else. Use the other existing buildings. I thought that Irv Stadel's comment about moving EF to Robert Frost, and moving Robert Frost to Mark Twain made sense, but I would leave that up to the steering committee.
